

Lenten Project *2008*

Our annual Lenten Project for 2008 will begin immediately and last through April 30, 2008.

Our Lenten Project will again benefit Our Lady of Lourdes Catholic School in Slidell, LA which was devastated by Hurricane Katrina. This parish has 2300 families with 600 children enrolled in the school along with 350 children presently attending CCD classes.

The classes are presently being held in 26 modular buildings. It is estimated that the modulars will be needed for two more years. Our Lady of Lourdes School currently includes grades Pre-Kindergarten through Eighth Grades. There are two classes per grade with the exception of three classes in Fifth Grade. The old school buildings were demolished during the Christmas holidays. There was a final farewell, as they look forward to the building of the new OLL school!

Any help you can give will be appreciated. We think this is a very rewarding Lenten Project.

The following is a list of some items that are needed:

TV & DVD/VCR	\$200.00
