

November, 2019

Dear Kolping Members and Friends,

It's that time of year... leaves and the temperatures are on their way down, we 'fell back' to Eastern Standard Time and Thanksgiving and Christmas lie just ahead! We had two fall gatherings at the Kolping Center, and our grand finale for the year is well in the planning stages-the **Christmas Party** on **December 7** (flyer enclosed). We need EVERYONE'S help filling up the Center for this big annual event and making it a success.

This letter should bring you up to date on our recent news and events, hope you enjoy reading it...Bill Conte, President

Kolping News:

Our Condolences are sent on the passing of **Irene Baunach**, 88, on August 19. Like Frank Heller and Eddie Sommer who passed earlier this year, Irene was a Kolping lifelong member, her parents Marie and Reinhardt Wilhelm were members early on. In the recent past Irene served on the committee that overhauled our by-laws in the early 00's and served on our Board of Directors at various times over the years. She had many medical issues that prevented her from attending Kolping functions in recent years, but her sister, Mary Lou Wilhelm Goerke, told us how important the Society was to her and that it was always in her heart. May her soul, and the souls of the faithful departed rest in peace.

Happy 90th Birthday Wishes! Our longtime member, Franz Kokasch turned 90 with a big party at the Kolping Center

on October 7. Franz still plays music with his buddies whenever he can, and they were all there to toast him, along with family and a large circle of friends. Congratulations to Franz, and to his wife, Alice, their daughters Cathy and Theresa and their families on this special and happy occasion.

While we are on the topic of birthdays, let's send out good wishes to those who celebrate in the next few months. In November we salute Louise Gruber Mimicopoulos and Bill Conte. Happy December birthdays to Barbara Autstein, Agnes Hopeck, Gary Meyer, Jessica Meyer, Rosemarie, Robert Wittreich and Erika Zinser. In January, our New Year's Babies are Jeff Blatz, Chris Gerage, Gillian Guile, Larisa Heiser, Ernie Lauth, Arnold Ruf and Steve Wenzler who will turn 92 on January 4! Lots of wishes to everyone for good health and happy times with your loved ones.

Fall Mass: In the end we welcomed 47 adults and 5 children to our Fall Mass and Communion Supper held on Saturday, September 28. Father Chris was unable to be with us, but his handpicked replacement, Father Zwosta, did a great job and incorporated Father Kolping into the liturgy. We were lucky to have many helping hands with members volunteering with setup and food preparation, serving and cleanup. A real community effort. Special thanks to: Gillian Guile for acting as lector and Karl Werkmann who led the singing with his strong voice. Finally, special thanks go to Chris Gerage...since cooking can no longer take place at the Center, Chris cooked our meal at home and brought it all to the Center to heat in chafing trays and serve. Go to our Facebook page for some photos from the day!

Our Halloween Party on **Saturday, October 19** was a fun time and a social success! A lot of planning went into this, and we have sisters-in-law Jessica and Monica Meyer whose idea it was to thank. They came up with a great decorating scheme, some guessing games and prizes for best costumes in different categories. Thanks also to the many others who helped along-Val & Gary Meyer, Chris Meyer, and Pat & Chris Gerage who all did a lot to keep the

Halloween Party (continued): party moving along...they were not the only helpers, thanks to EVERYONE! We welcomed about 32 adults and 17 kids-who brought lots of energy to this gathering, this is the first non-religious social function we have held in several years, and it was great that the majority of attendees were members, showing we like to get together for fun family activities! There are over 100 photos from this event on our Facebook page. Check it out by searching on Facebook for the **Catholic Kolping Society of Brooklyn**.

Welcome to our newest members! We were very blessed to induct four new members into Kolping at our Communion Supper on September 28. Family memberships, these couples both carry the Kolping tradition to new generations. Jeffrey Blatz joined along with his wife, Michelle. Jeff joins his sister Allison Blatz Hart as part of their family's third generation of Kolping: grandparents Lisa and Frank Heller Sr; then mom Evelyn Heller Blatz and Uncle Frank Heller Jr. Laura Lauth Murphy and her husband John also became official members. Laura is the second generation in her family-her parents Irene and Ernie Lauth are members over thirty years who served in various capacities over the years. Our membership stands 63 members, and we are working to increase that number and become a larger Kolping Family. Thanks to Michelle and Jeff, and Laura and John for joining us and we hope you become regulars at the Center.

Don't forget...Brooklyn Kolping is on Social Media!
